

2018 Public Works Construction Project Summary

Multi-Use Path along West Circle Drive from 41st Street NW to the Douglas Trail (J4694)

Projected to start in late summer 2018 and be completed in fall 2018

The project consists of the construction of a 10-foot wide multi-use path along the east side of West Circle Drive NW. This new multi-use path will be separate from the roadway.

Project Benefits

The proposed project will provide a connection between 41st Street NW and the Douglas Trail. This new path will address a gap in trail connectivity along West Circle Drive.

Construction Impacts

Impacts to vehicle traffic are expected to be minor. Impacts are likely to include closing shoulders and boulevard areas on the east side of West Circle Drive within the work zone.

Project Cost and Funding

The project costs of \$300,000 are being funded by development charges to the abutting property owners.
